PROFESSIONAL EXPERIENCE

Rheinwerk Konsumgüter GmbH

Cologne, Germany

Corporate Development Intern

06/2025 – 08/2025

- Analysed revenue and margin trends across four European markets for the monthly management review.
- Built an Excel dashboard that reduced the team's weekly reporting workload by approximately 30 percent.
- Structured competitor analysis for a new product category and identified three priority areas for action.

Nexora Software GmbH

Bonn, Germany

Business Development Intern

02/2024 – 04/2024

- Qualified 120 B2B prospects and segmented them by industry, company size and purchase likelihood.
- Conducted twelve structured customer interviews and summarised recurring needs for product and sales.
- Produced weekly funnel reports for the founders, documenting gaps between target and actual pipeline.

EXTRACURRICULAR ACTIVITIES

Campus Consulting Köln e. V.

Cologne, Germany

Project Member

10/2024 – Present

- Supported market analysis for a local education provider through desk research and eight expert interviews.
- Prepared key findings and recommendations for the final client presentation.

Social Impact Lab Köln

Cologne, Germany

Finance & Partnerships Team Member

11/2023 – Present

- Built a structured partner list of 40 companies and foundations for local programmes.
- Coordinated three events with over 150 attendees in total and managed budget tracking.
